Minx™

Minx is a revolutionary new nail covering — a favourite of stars including Beyoncé Knowles, Lady Gaga and Victoria Beckham.

Choose from liquid gold, silver, fishnet, polka dots, cheetah print and many more. Toenails are guaranteed to remain perfect and chip free for 4—6 weeks. The result — perfect nails without the multiple steps of a base coat, two colour coats and a final top coat.

An added bonus is that Minx is friendly to the environment and does not require chemicals to apply or to remove, so don't feel guilty — go on Minx yourself!

Toe Nail Prep and Minx Application (45 Mins)	£30.00
Spa Pedicure plus Minx Application (1 Hour 30 Mins)	£60.00
